

NASA JPL/MSFC Eleventh Advanced Space Propulsion Research Workshop

May 31, 2000 - June 2, 2000
Jet Propulsion Laboratory
4800 Oak Grove Drive, Pasadena, CA 91109

The NASA JPL/MSFC Eleventh Advanced Space Propulsion Research Workshop is scheduled for Wednesday, May 31 through Friday, June 2, 2000, at the Jet Propulsion Laboratory (JPL) in Pasadena, California. The meetings will be held in the Von Karman Auditorium. The following information is provided to assist you with your travel planning and scheduling.

Special Events

We have arranged for two special after-hours activities. The first is a dinner at the Caltech Faculty Club (Athenaeum) on the evening of Wednesday, May 31, 2000. The second is a tour of the world-famous Getty Art Museum on the evening of Thursday, June 1, 2000.

At the Getty center, you are responsible for your own dinner. There are two restaurants at the Getty center: a cafe which is open until 8 p.m. and a fine dining room that has a last seating at 8:15 p.m. Reservations for parties of up to 8 people are needed for the dining room as far in advance as possible. Reservations can be made by calling (310) 440-7300 and pressing "0" to reach a reservation agent.

Bus transportation from JPL will be provided to the Getty Art Museum. Departure times will be posted at the Workshop.

Registration and Check-In

All persons wishing to attend the Workshop should register in advance by completing the [Online Registration Form](#). You may pre-pay the registration fees by selecting the [Print Payment Coupon](#) link after completing the registration form, and mailing it with a check or money order payable to Caltech to the address listed on the coupon. Credit cards, purchase orders, foreign checks, and foreign currency will **NOT** be accepted. The registration fee is \$100 (\$30 for students) through May 14. Late registration is \$140 (\$50 for students).

The meeting will begin at 8:30 a.m. on Wednesday, May 31st. Registration and check-in will begin at 7:30 a.m. each morning in the Von Karman Auditorium. At the time of check-in, a Security Badge will be provided and is to be worn at all times while at the Laboratory. A Security Badge permits re-entry to JPL without additional formal check-in. **Note: JPL regulations require that you show a picture ID at check-in. If you are a Foreign National and have a Resident Alien Card, you MUST bring it with you.**

A picture ID issued by a government agency (e.g., driver license) is required for ALL persons wishing entry into JPL. Foreign Nationals who possess a valid Resident Alien Card ("Green Card") **MUST** bring it with

them.

Foreign Nationals WITHOUT a Resident Alien Card Please Note: Due to recent changes in security regulations, Foreign Nationals wishing to attend the Workshop who do not possess a valid Resident Alien Card ("Green Card") **MUST** submit their registration **NO LATER THAN April 21** to permit adequate time to process their clearance to visit JPL. A passport is required for entry into JPL. Foreign Nationals who do not have a Resident Alien Card are **required to check-in EACH day and MUST be escorted while on the JPL campus.**

Submitting an Abstract

We are calling for Abstracts for presentations from the advanced space propulsion community. We are particularly interested in overview/summary presentations that describe the various activities in advanced space propulsion being performed at your institution. Topics of interest include:

- Plenary Session (Programmatic overviews)
- Mission Applications and Architectures
- Advanced Chemical Propulsion (HEDM, hybrids, detonation, launch vehicles)
- Propellantless Propulsion (tethers, sails, aero/gravity assist)
- Beamed energy Propulsion (Solar thermal, laser thermal, high-power beamed energy systems)
- Micropropulsion
- Nuclear Propulsion (fission, fission-thermal/electric, fusion, antimatter)
- Advanced Electric Propulsion (Ion, Hall, MPD, etc.)

To submit an Abstract, you must first [Register](#) to attend the Workshop. Doing so allows you to obtain a registration number and password, which are used to submit an Abstract.

Messages

Urgent messages may be left for participants of the Workshop with JPL Section 353 at (818) 354-3601. FAX messages may be sent to (818) 393-6682, Attn: APC2000.

Accommodations

Participants are required to arrange their own accommodations. Suggested places in Pasadena are:

The Doubletree Hotel
191 North Los Robles
Pasadena CA 91101
Phone (818) 792-2727

The Saga Motor Lodge
1622 East Colorado Blvd.
Pasadena CA 91106
Phone (818) 795-0431

Embassy Suites
211 East Huntington Drive
Arcadia CA 91006
Phone (818) 445-8525

Hilton Hotel
150 South Los Robles
Pasadena CA 91101
Phone (818) 577-1000

Holiday Inn
303 Cordova Street
Pasadena CA 91101
Phone (818) 449-4000

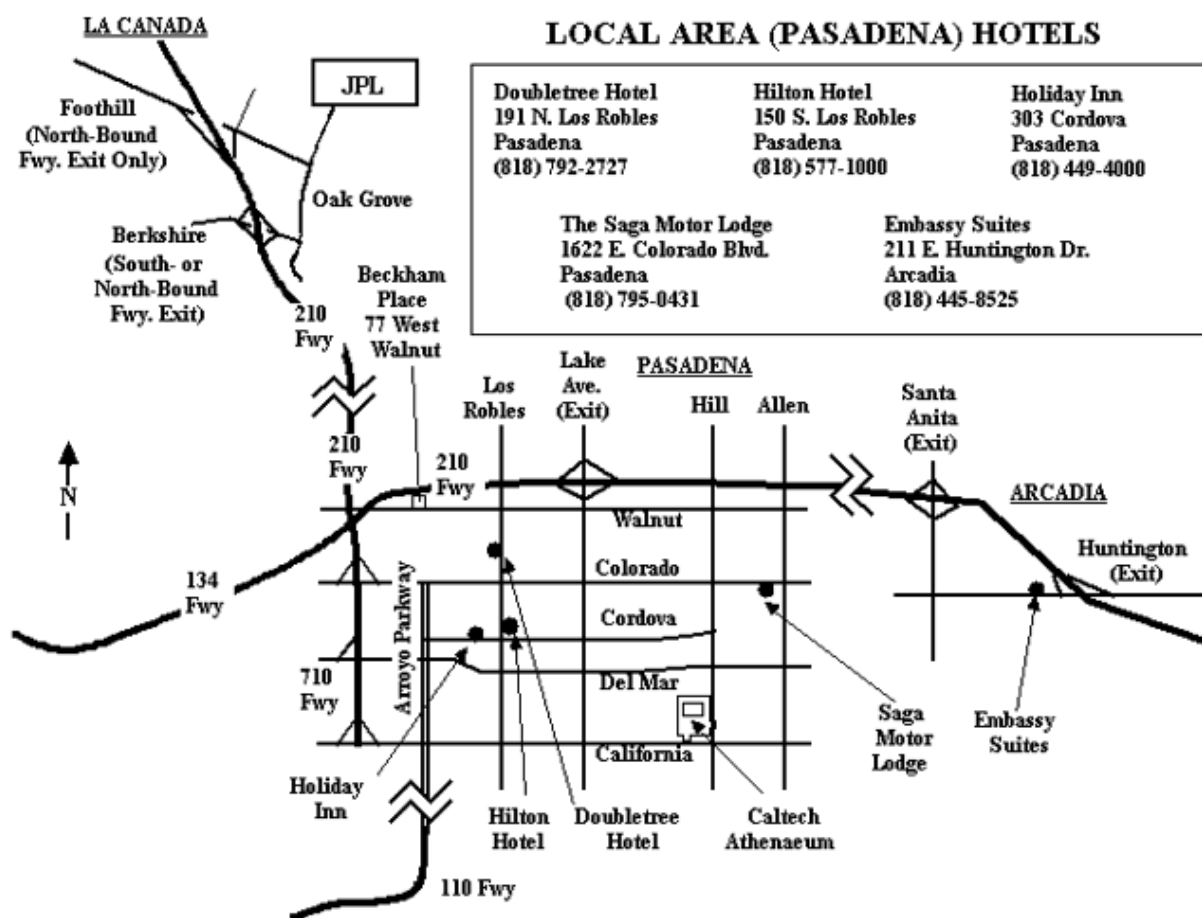

A block of rooms have been set aside at the Holiday Inn and the Embassy Suites at a special workshop rate of \$99 + tax. Reference JPL/APC 2000 when requesting a conference rate. The deadline to take advantage of this special rate is May 12.

Transportation

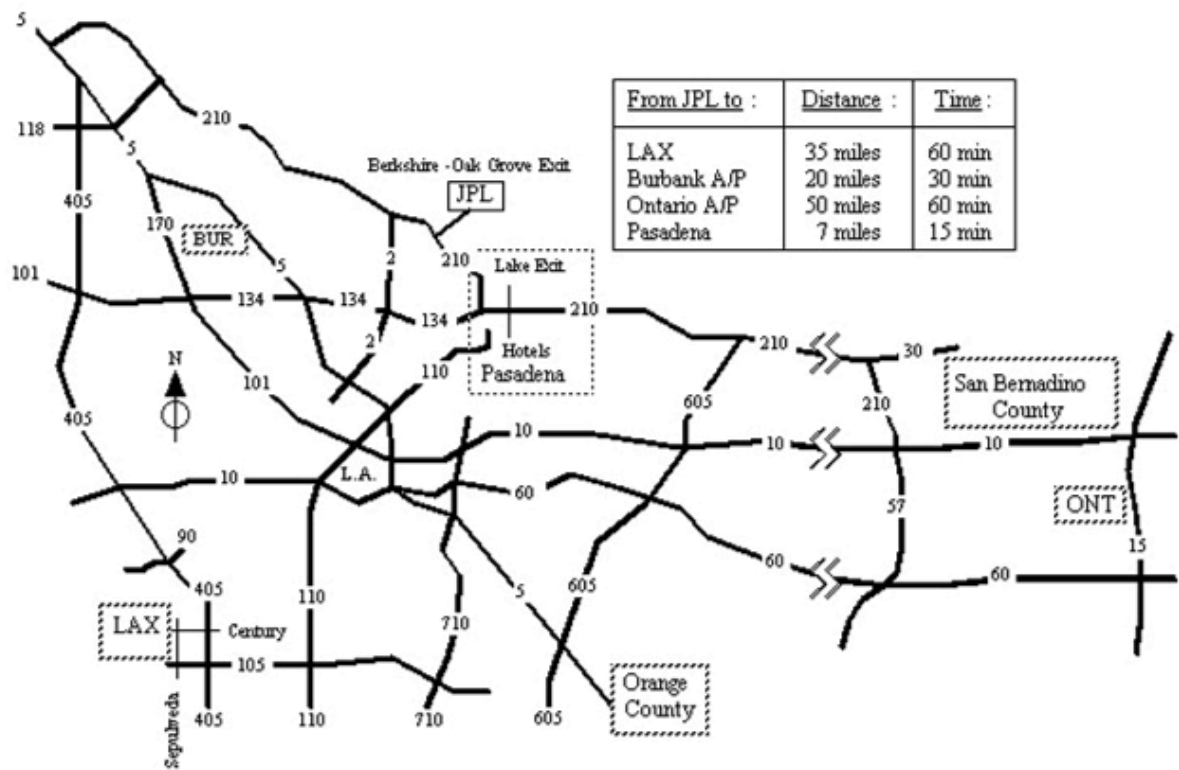

The Los Angeles area is served by three major airports: LAX, Burbank, and Ontario. Because of severe parking problems, we encourage carpooling to JPL. Breakfast is available at the JPL cafeteria from 6:30 - 8:00 a.m.
